Top 4 Reasons to Replace Your CPAP Parts Regularly

LESS INTERRUPTED SLEEP

CPAP users who regularly replace their CPAP parts enjoy a 24% increase in the number of hours they sleep while on therapy each night.

1

SLEEP BETTER AND FEEL BETTER

The majority of CPAP users that regularly replace their parts say that they not only sleep better, but have a more positive outlook on life.

2

GET THE MOST OUT OF THERAPY

CPAP users that regularly replace their parts are 2x more likely to stay on track and continue their sleep apnea therapy long term.

HERE'S WHAT TO LOOK FOR...

- You have to tighten the straps often
- The mask has lost its spring
- Your therapy feels less effective than usual
- The cushion is still slippery, even after being cleaned
